ABOUT US

ATTA, an IATA accredited company, was founded in February 1991 by owner-managers with an extensive background in the aviation sector. Our journey began with selling airline tickets to all destinations across various airlines, but we have since grown to diversify our services considerably.

Our comprehensive portfolio now includes corporate travel management, visa application services, and hotel booking. For our corporate clients, we offer bespoke travel management solutions designed to streamline the business travel process, reduce costs, and enhance the travel experience. Our visa application services simplify and expedite the process for clients, relieving them of the administrative burden. Additionally, we provide a seamless hotel booking service, making it easy for clients to find accommodation that best suits their preferences and budget.

We also operate as a MoneyGram money transfer agent and have launched a sister company, Globe Travel, which proudly represents Ethiopian Airlines and Fly Dubai for cargo and airport ground handling operations. Our strategic location at the airport empowers us to efficiently manage airline ground operations. We offer personalized services, such as assisting clients with visa processing and baggage clearance upon arrival, as well as providing convenient pick-up and drop-off transportation services.

Moreover, we facilitate personalized meet-and-greet services at a majority of airports worldwide. In July 2011, we broadened our footprint by unveiling new office premises and city center apartments, enhancing our commitment to promoting tourism and travel facilities in Djibouti.

Our first priority is our customers' satisfaction. We consistently invest in the training of our staff in collaboration with major regional airlines, such as Ethiopian Airlines, Emirates, and Fly Dubai, to adapt to evolving market trends and customer needs. Despite various challenges, ATTA has demonstrated consistent growth in terms of fixed assets and human resources. We now boast a team of 57 dedicated employees, including our subsidiaries.

We've solidified our industry presence by enhancing our services, adopting updated technologies, and maintaining an active presence on social media platforms. Furthermore, we have established partnerships with DOTW for hotel reservations, leisure or medical package tours, car rentals, and travel insurance.

Our mission is to make ATTA the go-to choice for travelers worldwide. We pride ourselves on our efficiency, flexibility, availability, and quality service. With state-of-the-art technology and robust purchasing advantages, we are committed to offering competitive, high-value services to ensure complete customer satisfaction.

We strive to exceed our customers' expectations by providing exceptional quality, integrity, and value in all our undertakings.
